

Core Advantages			
Shelf Display	6 shelves (5 shelves of 500ml bottled products + 1 shelves of 330ml canned products) ≈ 420 bottles of beverage		
Product Capacity	20.9 cu ft	Temperature Range	32°F-50°F
Product Weight	242.5 lb	Exterior Dimensions (WxDxH)	31.5*26.4*85.8 inch
Power Consumption	4.2 kWh/24h		
Product Configuration			
Technology Implementation	AI vision technology	Payment Methods	Credit/Debit Cards and Apple Pay, etc.
Anti-Fog Heating Door	Standard, prevents product condensation	APP-Adjust Temp	Remote Control with APP
Door Frame Material	Aluminum alloy, long-lasting, durable, and not easily deformed		
Sensitive Recognition			
Recognition Accuracy	99%	Recognition Speed	About 60 seconds
New Product Time	Under 6 hours		
Supported Product Categories	Beverages, snacks, and all categories
